

Hillside Traditional Academy Uniform Guidelines
2024-2025

Dress Code

A uniform committee, consisting of parents and staff, created a school uniform. All students who attend Hillside Traditional Academy are required to wear the prescribed uniform.

It is our belief that uniform dress codes foster the following:

- A sense of belonging and pride
- A safer and more respectful learning and teaching environment
- A confident and positive sense of self and respect for the dignity and welfare of others

It is the expectation that students always look their best. All shirts should be tucked in and shorts, skorts, and jumpers should be knee length.
